

Slaughter Lamb Pooling Sheet

The undersigned agree to the prorated portion of this shipment for the Slaughter Lamb payment portion of the Direct Payment section of the Lamb Meat Adjustment Assistance Program as defined by 7CFR Part 784. This sheet is provided only to assist the sellers of slaughter lambs in coordinating identification and traceability of their lambs sold to a slaughter company. It is incumbent on the seller to assure procedures are in place to receive payments under this program. This sheet must accompany lambs to slaughter facility and be presented to the USDA grader in order for certification and payment.
